

# NORTHEAST OHIO PILOT

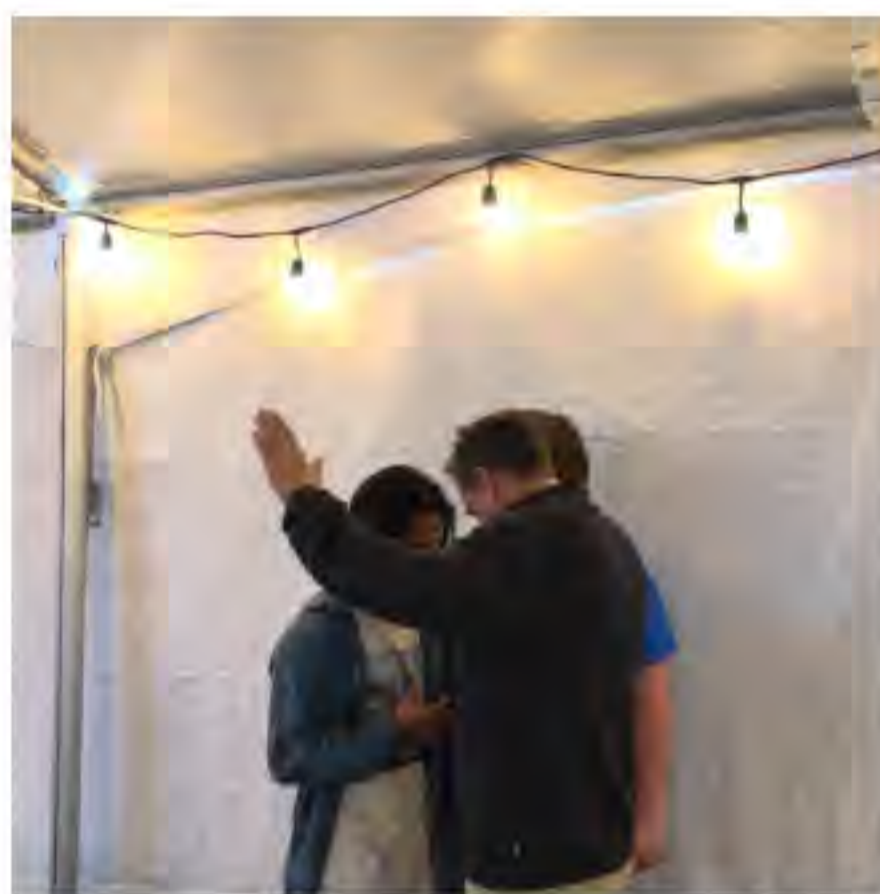

Dear Jeriel,

On May 8th, we launched the PATH NE Ohio Pilot, starting the 40 days of prayer, care, share across the region, and I'm delighted to share some of the highlights:

- On the first day, there was a powerful anointing in the North Ridgeville Tent of Meeting (TOM), including healings and deliverance, as children and young adults worshipped and prayed for people.
- On May 9th, many young people led the evening praise, worship, and prayer at the Westlake TOM.
- Yesterday we had some wonderful news from the West Cleveland TOM - I received this message from the host pastor - **'We got one for Jesus tonight... He came weeping and broken in the presence of our Master! Glory to God!'** Just one precious person saved for eternity has already made all this worth it!!
- May 10th, 11th, and 12th in the Westlake, Akron, and Brunswick TOM respectively, business people have shared (Westlake) and will be sharing their testimony and offering advice and prayer for the attendees. We pray that every Christian will start a prayer meeting in their workplace.
- On Friday, May 12th, from 6 pm, there will be another powerful praise, worship, testimony, and prayer time in the North Ridgeville TOM with many young people and I encourage you to attend to catch a sense of what is building across our region.
- On Saturday, May 13th from 6 pm, please bring your friends and family to a special Night of Hope at the Akron TOM with many powerful testimonies and an opportunity for prayer and to receive Christ OR a special night of praise, worship, and **Prayer for the Sick** at the Westlake TOM.

The times, location, and other details for each TOM can be found at [www.prayerattheheart.org](http://www.prayerattheheart.org)

It's been an encouraging start to the pilot but we're only in first gear! Most of the TOM are up and running, and we now want to invite as many people as we can to receive God's love for their practical, mental, and spiritual needs. Please will you help us get the word out by following these simple steps:

**Step 1** - to receive our regular highlights of what has happened, and what is about to happen, in the TOM, please text, Hope to 216-293-6655

**Step 2** - when you see or hear a moving story/song in a TOM, please take a picture or video (under 30 seconds) and;

- text it to 847-757-4979; and
- post it to your social media following (Facebook, Twitter, Instagram, TikTok, TruthSocial, LinkedIn), and use the hashtags #PrayerAtTheHeart #Revival #Asbury #Cleveland. Posting the videos as Reels on Facebook and Instagram as well as regular posts is ideal to maximize exposure.

Using the analogy of a car, we will move to 2/3 gear next week and 4/5 gear by week 3 of the pilot.

Prayer and intercession undergird all that is happening in the PATH NE Ohio Pilot and please visit a TOM to join with others in crying out to God for a great awakening.

It's a wonderful privilege and blessing to be co-laboring with Christ and with you in the harvest field.

Many thanks and with much love in Christ,
