Outline for the Evening!

Suggested Schedule:

- 30 minutes – Finger foods and fellowship
- 15 minutes – Opening: Scripture and Prayer
- 15 minutes – Explanation of the Vision by the host!
 - Use one of the brief videos (Link on Pg. 12)
 - Review the “Explanation of Vision” on Pg. 6-7

Suggested Schedule: Cont.

- 10 minutes – Prayer and Discussion
- 10 minutes – Living Room Video (Link on Pg. 12)
- 15 minutes – Prayer
 - The Appeal (pledge cards, offering, e-giving)
- Conclusion – Thanks for coming!

LETTER TO FRIENDS & PARTNERS

Dear Friends and Ministry Partners,

I think we may be on the early curl of a national, perhaps, global spiritual awakening. God has given us numerous indicators of His desire to engage not only this nation, but nations.

We dare not miss the moment!

Last year, while in South Korea, I sensed God calling me to mobilize one million Christians to pray for one million souls between Passover (Easter) and Pentecost in 2026, the year we celebrate our 250th anniversary as a nation. You know, the 'great awakening' gave birth to the nation, sweeping 12-15% of the population into the kingdom of God. Some say, 20%. The nation was changed, its values recentered in Christ. The very atmosphere of villages was transformed.

Now, we need a spiritual awakening to save the nation.

You can help. Sponsor a living room gathering for your friends – folks you believe to be concerned about the nation. Gather. Pray. Hear about the Prayer at the Heart initiative, Project 2026, a million people praying to see a million friends come to Christ.

We have a significant matching grant and short window to respond. Two-thirds of our significant budget for the mission will be covered by the grant and our match. Would you gather your friends to offer them the opportunity to be involved in a nation-changing adventure?

LETTER TO FRIENDS & PARTNERS

We'll give you the simple tools – an outline for the evening, a handout, a video and if possible, and someone from the team will attempt to be with you in person or connect by Zoom. We would love to be at every gathering, but that is, as you can imagine, impossible.

Remember, America is still the epicenter of the globe – every nation is here. A national spiritual awakening could quickly become a global revival. You could be a Firestarter. One of the living rooms that helped give birth to the national spiritual awakening we so desperately need.

For more information, call or text _____. Or send an email to _____.

Thanks for your partnership.

Explanation of the Vision by the Host/Hostess

The reason I/we, invited you here tonight is to share an exciting vision of a grassroots movement of prayer and evangelism with a focus on Great Awakening. This has become a formidable movement with over twenty national organizations participating or running parallel campaigns.

The movement began a few years ago when 3000 people gathered at the geographic center of the nation to reconsecrate it to God – for the eyes of God alone. Yet, CBN had a correspondent assigned, CTN had a satellite dish, Daystar supported the effort, Integrity TV filmed it and pushed it out to the public. The Revival Network, now Flashpoint, cut live to the event five times during the six hour service. Representatives from every state read the 'God-language' in their state documents. Ten prayer teams invested 20,000 miles in praying around and across the nation conducting over 300 prayer rallies before the event.

One million people
praying for one million
souls to be saved in
America, from Passover to
Pentecost, 2026

Explanation of the Vision by the Host/Hostess

The movement is now spreading from state to state. Eighty-five Korean teams have come to the US to pray for revival here. The first teams came, unplanned, on the anniversary of Billy Graham's largest ever crusade, 3.2 million, with 100,000 conversions. The crusade changed South Korea. We believe the coming of these teams is a sign that what God did there, he wants to do here. As you may know, South Korea, with its new left-leaning government, is now oppressing the church there – so, both our nations, need a fundamental spiritual awakening.

Last year, Dr. Douglas Small was in Korea. He met with Billy Kim at the Far East Broadcasting Network, and the next day, with Dr. Nam Soo Choi, of the Kwong Myong Presbyterian Church, the leader of the World School of Prayer now sending teams to the US for prayer. In the night between, in prayer, Dr. Small felt God impress him to lead a campaign to see one million believers, praying for one million friends to make a fresh commitment to Christ. He recognizes, that a million conversions is only the first step – we need 8 – 12 percent of the population, a tithe, 35 million. The first million, is the first step.

That's why we are here! To pray for this endeavor, and to ask God what we can do to help!

Ten Ways You Can Help the Million Souls Campaign

1. **Give.** Each location for a Living Room event should have amply envelopes for those who attend and may want to give on the spot or later. Giving can also be facilitated online.
2. **Sponsor a Living Room Event.** Having heard the story, you might want to do a subsequent living room event, inviting your friends to hear the story. This is a grassroots endeavor.
3. **Become a Congregational Advocate.** Commit to share the resources of the Million Soul effort and urge your pastor, and other community leaders, to support the effort, to rally their congregates to pray during the fifty days, from Easter (Passover) to Pentecost for at least one person to come to Christ.

4. **Become a City-County Advocate.** Mobilize Christians, making them aware of the effort and the resources. Set a goal of at least ten participating congregations in your city or county – more, in larger cities. Set a conversion goal that is significant enough to impact the city.

Ten Ways You Can Help the Million Souls Campaign

5. **Pray for your Neighbors** - Sign up at Bless Every Home. It's free. Pray for five neighbors daily. The goal is for every home in your city to be adopted for prayer.
6. **Pray for Your Workplace Peers** - Download the SALTY guide and find two others to join you in prayer at work for 30-minutes weekly – Be “salt and light” to your work peers.
7. **Champion Prayer-Evangelism** in the circles where you have influence. In your city, in your denominational stream, in an ethnic stream, among you age-peers. All of us have influence in certain circles. Become a champion of prayer-evangelism in your influence circle.
8. **Start An Operation Andrew Group.** Andrew brought Peter – who can you bring to Christ? Three people, praying together for their friends and family members, provides a level of accountability and encouragement. Start your group of three and begin to pray for your unchurched friends. Transform the group into a TEAM OF TEN – that's three Operation Andrew Groups that are aware of one another, and may meet together once or twice in the fifty-day period. The advantage – you have started, and you are connected to, and encouraging, not one praying triad, but three! That's multiplication.

Ten Ways You Can Help the Million Souls Campaign

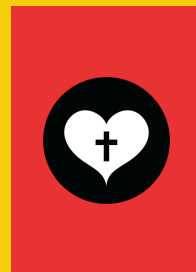

9. **Download the EVANGELISM AS BLESSING materials.**

Start a learning group. The materials, if downloaded, are free. There is a book – a brief daily chapter to be read, and a weekly group guide that can be used for personal study. In addition, there are downloadable videos. Churches can also sponsor *Evangelism as Blessing* training events. This training is a unique approach to evangelism. It is relational, story-based, informal, with love leading truth in the conversation.

10. **Become an AMBASSADOR.** Be one of a thousand ambassadors who are raised up and trained to visit mayors, community leaders, state representatives, congressional members and US Senators – to offer them the gift of prayer and a pledge to pray for them, as we are commanded in Scripture (1 Tim. 2:1). Build bridges. Remember, seeing someone come to Christ at the top of any influence pyramid is a strategic conversion.
